FOOTBALL. EDUCATION. OPPORTUNITY.

WELCOME FROM HEMEL HEMPSTEAD TOWN FOOTBALL CLUB

A NOTE FROM THE OWNER

Dear Player and Parents,

As the owner of Hemel Hempstead Town Football Club I am delighted to welcome you to our latest Education Prospectus.

At Hemel Hempstead Town Football Club we aim to provide opportunities to engage with local young people and help provide a pathway in football and education.

Our football education department offers a chance to gain qualifications via an alternative route, giving better opportunities to excel. We use the power of football to provide an inspirational programme for education and football development.

As a football club we wanted to offer post-16 further education alongside playing football for one of our teams. It is our goal to provide a pathway to our first team, allowing people a chance to step onto the football ladder at Step 2 whilst being supported by gaining qualifications and having access to other careers in sport.

I have tasked our teachers and coaches to create a football scholarship programme which is tailor made for the individuals who are selected to attend. As well as a comprehensive football development programme, the young people on our course, can work towards a BTEC level 3 or complete units to earn credits towards their UCAS points total.

Thank you for considering Hemel Hempstead Football Club and I look forward to meeting you soon,

Dave Boggins
