

ELITE SQUAD TRAINING CENTRE

Town Mead Leisure Park
Brooker Road,
Waltham Abbey,
Essex,
EN9 1JH

Town Mead is a central location for our Academy Programme.

The postcode for Town Mead Leisure Park takes you short of the Astro on Brooker Road. Please do check the map above so you know where you are going. The postcode brings you to what looks like the end of the road on an industrial estate. You need to snake left then right to find the Leisure Park.

At the Leisure Park is a Gold Driving Range (in construction), a children's playground, a grass football pitch and a bar operated by Waltham Abbey Town Council.

Please can we ask that when players arrive they act in a professional manner and wait patiently and conserve their energy for their fixtures.

There is a fenced viewing area inside the Astro fencing which we welcome parents to come into to watch. There is also plenty of viewing around the outside of the Astro.
